

# Student Catalog Addendum

This revised catalog addendum updates and replaces the Book Refund and Wonderlic Testing Information, as well as updating the Campus Technology Requirements in the 2023 Student Catalog.

## Refund Policy – Books

With this update the school is removing all references to a school issued computer from the Refund Policy.

### **BOOKS**

The words “Books” used in this catalog and in any enrollment agreement with a student includes textbooks, ebooks, textbook supplemental materials, supplies, materials, tools, electrical appliances and devices, or other goods issued to a student for student’s participation in her/his program of study. A student must return to School any unopened/unused Books within 30 days following the date of a student’s withdrawal or notice of cancellation to School in order to receive credit on student’s account for the returned items. If a student fails to return such items within this 30-day period, the School may charge the student for the Books and, if applicable, deduct it from any refund due to student. The School shall refund any amount exceeding the charges for the Books within 45 days after the period within which the Student is required to return the Books. Student agrees that any used or opened Books, including any used clothing issued by ATI, may not be returned for credit under any circumstances.

## Campus Technology Requirements for All Programs

With this addendum, the following sentence is deleted from the Campus Technology Requirements for All Programs section of the catalog:

Where applicable, any device issued by the school will meet these requirements.

## Entrance Exam Testing Information

This update adds a second entrance exam to the school’s admissions testing policy which the school may elect to have students take instead of the Wonderlic exam. (Revised 7/6/2023 with revised minimum scores for the EduReady Admissions Assessment.)

All applicants must take and pass either the Wonderlic Scholastic Level Exam (SLE) or the EduReady Admissions Assessment as an entrance exam. ATI, at its sole election and discretion, will assign each applicant one of these two exams. Minimum acceptable scores and other details are provided below:

Wonderlic Scholastic Level Exam (SLE): The minimum acceptable score is minimum acceptable score of 13. If a minimum score is not achieved, three re-tests may be given within three months of the original test using an alternate test form. If a minimum score is not achieved within the maximum number of re-tests, prospective students must wait a year to attempt the Wonderlic Scholastic Level Exam (SLE) again.

EduReady Admissions Assessment: The minimum acceptable score is minimum acceptable score of 75. If a minimum score is not achieved, three re-tests may be given within three months of the original test using an alternate test form. If a minimum score is not achieved within the maximum number of re-tests, prospective students must wait a year to attempt the EduReady Admissions Assessment again.

This entrance exam requirement is waived for students possessing an associate degree or higher from an accredited U.S. school. Degrees from non-U.S. schools must accompany an evaluation from a third-party, professional document evaluation service that clearly identifies the document’s equivalence to a U.S. credential and approved by the campus director.

Note: The President has the discretion to waive minimum score requirements for any entrance exam as deemed appropriate in his judgment. In such cases the President may require additional information from the student which may include but is not limited to the form of an interview, written statement, and/or other means of explaining the student’s extenuating circumstances and/or demonstrating their aptitude for the program.
